Conformity

The **Vacuum pouches** are produced with raw materials that comply with:

The **Regulation (EC) No 1935/2004** of the European Parliament and of the Council of 27 October 2004 on materials and articles intended to come into contact with food.

The **Commission Regulation (EU) No 10/2011** of 14 January 2011 on plastic materials and articles to come into contact with food.

The Commission **Regulation (EC) No 1895/2005** of 18 November 2005 on the restriction of use of certain epoxy derivatives in materials and articles intended to come into contact with food.

The European Parliament and Council **Directive 94/62/EC** of 20 December 1994 on packaging and packaging waste.

This product is manufactured according to the requirements of **Commission Regulation (EC) No 2023/2006** of 22 December 2006 on good manufacturing practice for materials and articles intended to come into contact with food.

This certificate remains valid until there is significant change to either the route of manufacture or the raw materials used.
